KNC 6 Perry Wood

Thirty four people turned up on a mild October evening at the sixth KNC Event at Perry Wood. Heather and Tony had extended the point scoring opportunities for participants by giving bonus points for finding ascending consecutive controls. The top scoring runner, Neil Crickmore found 16 and earned11 bonus points taking every possible opportunity to visit close controls consecutively. Only one runner, Brendon Howe set off to visit every control consecutively gaining a respectable 10 bonus points. Thank you for your understanding in one misplaced control and to the collectors, Nick Barrable, Simon Blanchflower, Mark Glaisher, Nick Betts and Dave Pickup.
