The circle will go green and your phone will bleep each time you successfully find the control. Once you have visited all controls, head to the finish, (the double circle) for your final bleep.</p>  <p>Click on "Show Results" on the app and you can see how you did! Can you complete the course faster or try a longer, more difficult course?</p>						
<p>Please note specifically: - Haysden Country Park is on a flood plain, in times of heavy rain some of the courses may not be accessible due to standing water. - some of the courses may involve crossing sports pitches and areas used for occasional events. Please go round the edge of these areas if in use. - Tonbridge Castle occasionally hosts private and ticketed events which may restrict your access to the sites at times.
