

KNC League – Rules in the event of a tie

If two or more competitors have equal League scores at the end of the season, the winner is determined as follows:-

Number of events won
If still a tie...

Number of second places
If still a tie...

Number of third places
If still a tie...

...and so on

If still a tie:-

Best result beyond the ones that count (eg 13 if events count, it will be the best 14th result; if still a tie, best 15th.....).

Mark Glaisher
KNC coordinator
