

Saxons Summer Challenge No.7 Canterbury MapRun

Welcome to the “Tour of Canterbury” MapRun. The course is a 20 control score course with a 60 minute time limit. The start and finish are at the brazier pole as marked with a triange (start) and double circle (finish) on the map.

Course name: MapRun...UK/Kent/Canterbury PZ0122072020 PXAS ScoreV60

Recommend parking is at the Maynard Road car park on the Wincheap Industrial estate. This is beside Iceland which itself is beside Go Outdoors. Post code CT1 3RH, w3w marked.trail.keeps . Parking charge is £1 per hour 7.30 am- 9.00 pm Monday to Saturday. Many of the local roads have single yellow lines so there is free parking after 6.30pm and all day on Sundays. Approx 500m walk to the start. There are public toilets at the edge of Dane John gardens approx 400m from the start. Both parking and toilets are marked on the map.

Safety briefing

You will be running through the city centre and residential roads and footpaths. Beware of traffic (motor and cycle). Major roads (especially the dual-carriageway ring road) can mostly be crossed using underpasses which are marked on the map. Use these wherever possible.

Be aware of, and considerate to, other pedestrians. Give them lots of space for safety and Covid-19 security.

Take care where you run alongside the river as the path can be narrow and extra care crossing bridges.

Control descriptions

Start	Brazier pole	11	Alleyway, middle
1	Path bend, SW corner	12	Road junction (E end of gardens)
2	Northern path crossing	13	N path junction (S end of hedge)
