

Trosley Country Park

<p>Location/Parking Vigo. Nearest postcode: DA13 0SG W3W///:long.paused.raft Pay and display car parking</p>	<p>Permanent Orienteering Course The course is represented by a Start a Finish and a number of checkpoints. At each control you will find a permanent marker attached to a post. Visit as many of the checkpoints as you can in any order. Make it harder by visiting controls in specific order: Easy: 1,6,8,7,11,20,4,1, Medium: 1,4,8,7,11,13,24,3, 20,6,1 Harder: 1,4,5,19,3,22,24,14,10,16,1 Hard: 1,16,19,15,24,14,5,10,2,25,22,3,21,4,1</p>	<p>△ Start ○ Controls ◎ Finish  permanent marker</p>						
<p>About the Park Trosley Country park is located close to Vigo and is managed by KCC. Once part of the Trosley Towers estate, Trosley is situated on the North Downs with stunning views over the Weald of Kent, and is a mix of woodland and chalk grassland</p>	<p>Find Your Way / Virtual Orienteering Courses No physical controls - your position is recorded by your smartphone's GPS using an app called MapRun6. Download for free onto your Android or iOS device. Simple registration (name etc). Select 'Events near me' or press 'Select Event' and navigate to: - UK > Find Your Way > FYW Kent > Trosley. There are 3 linear courses to choose from.</p>							
<p>Facilities Superb Café selling cakes, sandwiches and hot food, (opens 10am-3pm). Toilets available adjacent to the car park. Playpark and picnic area.</p>	<table border="1"> <tr> <td>Short / easy</td> <td>2.1km, 12 controls</td> </tr> <tr> <td>Medium</td> <td>2.9km, 14 controls</td> </tr> <tr> <td>Long / more challenging</td> <td>3.8km, 16 controls</td> </tr> </table>		Short / easy	2.1km, 12 controls	Medium	2.9km, 14 controls	Long / more challenging	3.8km, 16 controls
Short / easy	2.1km, 12 controls							
Medium	2.9km, 14 controls							
Long / more challenging	3.8km, 16 controls							
<p>Start/Finish location Adjacent to the Café</p>	<p>See "How To" pages for help and phone setup at https://www.findyourwayvo.org.uk/how (see QR code) You can use the map on your phone, but it is easier to use a paper map - download from Saxons Website - www.saxons-oc.org</p>							
<p>About the Map Scale is 1:7,500 so is larger than Ordnance Survey. Map also shows more detail – fences, knolls, depressions, distinctive trees, and uses different colours to aid navigation – yellow is open land, white is runnable woodland, light through to dark green represents woodland that is increasingly difficult to pass through.</p>	<p>Once the course is selected, click 'Go to Start' and head to the red triangle. The triangle will go green and your phone will bleep to register you have started. Make your way to Checkpoint 1 (the virtual control) and each of the other controls <u>in number order</u>. The circle will go green and your phone will bleep each time you successfully find the control. Once you have visited all controls, head to the finish, (the double circle) for your final bleep. Note: at Trosley the Start and Finish are in the same place, so the triangle and double circle are on top of one another. Click on "Show Results" on the app and you can see how you did! Can you complete the course faster or try a longer, more difficult course?</p> 							
<p>Safety The Park is bounded by small roads and fencing and presents few hazards. Specifically watch out for: - trip hazards, and uneven ground - steep slopes that may be slippery in wet weather - other park users and dogs</p>	<p>Once you have completed a course, please complete the brief feedback form (Scan QR code). We value your feedback. Each quarter a feedback provider will be selected at random to receive a £10 Decathlon voucher</p> 							
<p>Feedback</p>	<p>Links to other activities If you enjoyed the Permanent Course or the Find Your Way activity, there are many others to try in Kent - goto https://www.findyourwayvo.org.uk/southeast/maps. For details of orienteering events in Kent visit www.saxons-oc.org New Trosley FYW/Virtual courses will be uploaded depending on usage.</p>
