

OUR BEEFEATER STORY

We launched our first restaurant back in 1974. Thirty five years on we are proud of our heritage. Unlike some restaurants we cook the majority of our food on a chargrill, which means our food is freshly prepared and cooked to your liking by our expert chargrill chefs. Chargrilling adds to the flavour and gives food our signature grill marks.

We understand that in today's world, taste and variety are important. That's why alongside our famous steaks we offer chicken, fish and lamb chargrills, along with healthy salads and vegetarian dishes.

For freshly cooked chargrilled food it's got to be Beefeater.
