

SAXONS ORIENTEERING CLUB

Orienteering in Kent and East Sussex

KENT ORIENTEERING LEAGUE CANTERBURY 5 DECEMBER 2009

FINAL DETAILS

Directions

From M2 Junction 7 (Brenley Corner) travel east on A2 towards Dover. Leave A2 at main Canterbury exit. Turn left at first set of traffic lights (about 0.5km) up steep hill through Rough Common all the way through to the A290 Whitstable/Canterbury Road. At A290 turn right towards Canterbury City Centre. After 200m turn first left into Giles Lane at 179/133594.

Proceed east along Giles Lane for 0.5km until meeting Pelican Crossing. 100m after crossing turn left into Parkwood Road. Take first left (100m) into linear car park area and proceed through car park area up to and beyond Sports Centre building (slight kink to left in front of building). The University has asked us to park behind the Sports Centre and will be erecting signage to direct us there. You may encounter runners just starting off, so take care here please.

There will be minimal road signage within the University campus, so if lost tel; 07900 257347 on the day.

In car park **you will need to display a permit to park** within the University campus. These will be available from registration (and possibly from Sports Centre reception), but park first and visit registration for permit. Display permit on dashboard during the day.

Registration/Start

This will be at the front of the Sports Centre building involving a 100m walk up footpath to left (west) side of Sports Centre. Hopefully there will be signs on car to show way. Registration opens at 11am and closes at 12.30. Courses close at 2.00pm

Toilets

These will be available in Sports Centre building, but no spiked shoes are to be worn in the building, and please try to avoid muddy shoes in building.

Affiliated to the British Orienteering Federation and the South East Orienteering Association
