Lost Property:

A number of torch items have been left in the marquee. Please email the organiser with details of your missing item to see if it has been found. development@saxons-oc.org.

Organiser's Report:

With winds from the NE over the weekend gave us a dry but cold night, and also allowed visitors from Sweden to fly in for the event, missing the ash cloud. I hope the setting in the centre of Eridge Park with technical woods to the north and south, together with the herds of deer and the highland cattle was appreciated.

Thanks go to the team of helpers from Saxons, and to Michael Napier for providing the SI service, the displays on the night and the results.
