

LONG TRAIL CHALLENGE RESULTS

Sunday 8th August 2010

Organiser's Comments

Well done everyone for completing this long trail challenge. I hope you enjoyed the courses.

With half of the competitors from running or adventure racing clubs, this is an introduction to the sport of orienteering, with the aim of using a map to navigate you by the safest and quickest route to the next control.

I hope you did not get too lost in the paths of Ightham, or were confused by the lack of tape on the marked section in Seal, tidied up by a passing walker.

Saxons run a series of events throughout Kent, either on Saturday or Sunday, in the local parks, woods and forests.

There are courses for all standards, beginners to expert, young and old.

We even have a weekly night series where you navigate by head torch.

For further information please visit the website www.saxons-oc.org
