

DARTFORD ORIENTEERING KLUBB

Invite you to an event that is part of the

KENT NIGHT CUP at

LLOYD PARK on THURSDAY 29 SEPTEMBER

Lloyd Park is a mixture of mown grass, rough grass & woodland. Runnerbility is generally good, but some linier woodland & undergrowth can be largely impenetrable. There is a slight slope in places but no serious climbs, undergrowth is rampant at this time of year but should not be a major problem.

LOCATION Parking is at Sandilands Club (CR0 5DB), at the junction of Sandilands & Grimwade Ave, If travelling by car turn into Sandilands from A232 Addiscombe Road, Croydon , at the end of Sandilands turn right, the car park is on the left. OS sheet 176 or 177, TQ342642.

NOTE this is a different location from that used for the KOL event on 24 September.
