

Coaching especially for junior Saxons and DFOK members Saturday 19 May 2012 10-12:30

We have the use of Margaret McMillan House and grounds on 19 May to give junior Saxons and DFOK members a chance to practise their orienteering skills in a safe and enclosed area. We have an indoor room for orienteering games if the weather is bad and outdoor events to give you a chance to challenge yourselves and to improve your orienteering abilities. We will also have a competition so you can try out your new skills. The event will run from 10.00 until 12.30 with things to do over the whole period. Juniors please tell your parents about this opportunity. Parents please get your children along to this event! The event is free but please let me know if you intend to come. What you learn here will help you in the Junior Orienteering Championships to be held at... on 17 June. Don't forget to put the date in your (parent's) diaries.
