

## PENSHURST MAIZE MAZE O 13 SEPTEMBER 2012

Thank you all for attending the first Saxons Maize Maze O at Penshurst Place. This was an experiment and we hope you all enjoyed it.

It got a bit chaotic at download towards the end- we have done our best with the results. If you spot any errors let us know

For those first timers- "mp" means "mis-punched" , i.e. the controls were found in the wrong order or not all were found.

Very many congratulations to those who found them all in the right order.

Please send suggestions for next time to [development@saxons-oc.org](mailto:development@saxons-oc.org), maybe an easier course for the juniors next year?
