

General

This is a junior only event in a small area where juniors can feel confident orienteering on their own knowing that they are never too far from the start/finish. There will be adult helpers patrolling the area in distinctive vests, available to assist juniors should they need it. There will also be lots of prizes to be awarded after the event - please bring a picnic to celebrate whilst the results are confirmed. The competition is open to all juniors, including those from outside of Kent.

Courses

There are 5 courses. In order to be competitive for the junior championship, the juniors must choose the correct course for their national curriculum year (see table). Years 3 and 4 may compete on the White Course.

Shadowing is allowed, but the child will then not be eligible for the championship. This is a great opportunity to allow the child to orienteer independently as the area is so small, and there will be helpers patrolling the grounds. White and yellow course competitors may view their map before the start.

BOYS	GIRLS	COURSE
Year 5	Year 5	White
Year 6	Year 6	White
Year 7	Year 7	Yellow
Year 8	Year 8	Yellow
Year9	Year 9	Orange
