Well done to everyone who went round the string course We think the winners; Mathew and Henry Taylor may be non competitive because they helped set up the course and a big thank you to them for doing that. This means a very well done to Ben Gostick, Joseph Derrick and Matthew Derrick for nearly matching the Taylor twins' time. We think all these boys had warmed up on the yellow course .

First lady home was Claudia Mahr who finished just ahead of the second lady Rebecca Lovegrove

The remaining competitors were enjoying meeting Christopher Robin's friends and took their time in the course. That is absolutely fine.

Perhaps those who took the longest got the most enjoyment. By this measure William Prior was the winner closely followed by Emma Chapman.
