

## Manor Park Country Park Saturday 31st August 2013

Thanks everyone for competing at Manor Park, and running round with the highland cattle.

There were 3 courses.

1 lap yellow for the novice orienteers.

2 laps for the intermediates

and 3 laps for the experienced orienteers or those wanting a longer run.

I have put the 3 laps into 2 tables... a 45 minute table adjusted for time penalties

and a no time penalty table for those walking round.

I have estimated the number of controls for Hayley Collins and Michael Turner.

Please confirm to me if they need adjusting.

Jerry Purkis planner Saxons
