Thank you to all entrants for supporting this event, it makes the Planners efforts worthwhile. Thank you to the helpers Marion, Jerry, Rowan and others on the day also Mark for printing the maps. Good to see some new faces, friends from MKOPG, a father and son from America here visiting, plus new Saxons members. The Light Green course proved popular and we had to mark up some spare Score maps as LG and Judith decided to try the Score course instead. On the Score course I did cause some confusion by not stating whether there was a time limit, sorry Judith and Andy. I know Judith enjoyed her long run. It was interesting to see the park early morning before gates opened full of dog walkers and boot camp members being put through their paces, by mid morning they had been replaced mainly by family groups. Finally a big thank you to the weather as it turned out to be a gorgeous day.
