

Notice of Saxons OC Annual General Meeting

Venue: East Malling Research, Kiln Barn Road, East Malling, ME19
Date: Saturday 23 November 2013
Time: 10:30 a.m. prompt

Tea and Coffee will be available from 10:00 so that the meeting can start promptly at 10:30

Please do try to come along. It will be your chance to vote new members onto the committee and to raise any issues you feel strongly about.

Directions: You will notice there is only half a postcode. This is because we are using the back entrance as the front entrance gate will be locked. From the A20, heading away from Maidstone after junction 5 of the M20, continue west until the Ditton traffic lights. At this junction turn south. This is New Road. You should see the sign for 'Research Station' as you turn south. Continue along this road and it becomes Kiln Barn Road. You will see the back entrance to the East Malling Research Centre on your right. If you go under the railway bridge you have gone too far.

The AGM will be followed by a fun event and then a fantastic buffet meal - all free.

We need to know numbers for the food, so could those that are coming please contact Anita Kingdon at secretary@saxons-oc.org

An agenda and minutes of the last AGM will be posted on the web site, members only section. If you have forgotten your log in details, please contact Dave Moore on webmaster@saxons-oc.org . I am also attaching a copy of the Agenda to this email.

If you have any issues you would like raised for the AOB section, please let me know beforehand.

If anyone would like to stand as a committee member, please do not be shy. Let the club secretary know (details above). Let me know if you want a specific post or just to stand as a committee member. See the back of SaxAlert for the current committee officers and their roles. We have a vacant post for a desperately needed development officer. Although no one has said they will stand down, some would be happy to do so, if someone else came forward to take their place.
