

Mote Park Summer Series 4th September 2014 Results

Thank you for coming to the final Summer Series evening event. The Score course had an experimental format which, although straightforward to understand, meant a bit of thought was required for your optimum route. Aside from Richard Purkis's win, noteworthy performances came from M8 Austin Howe winning the Yellow, and the Milward-Bose Junior team doing well on the Score course - only their third event I believe. Well Done!

I hope you will be able to come to the first Kent Night Cup event on Thursday 18th September at Abbey Wood (see Event Details). Mark Glaisher
