

That was a very enjoyable event to plan and organise and a very nice atmosphere. No-one quite got them all, though Alan was close. Some of the Paddock Wood AC runners look like they have the speed – with a bit more experience at the map reading. Paddock Wood A team were only just behind the fastest orienteers. Well done to everyone from Paddock Wood who did their first orienteering event. Hope to see you again soon.

Some thank yous. Richard Elliot organised the school venue and pub, and enthusiastically promoted the race. Dave Kingdon produced a flawless map. Simon Maytum printed the maps. Helpers at registration and collecting in controls: Rowan and Jerry Purkis, Dave Cave, Tony Connellan, Brendan and Alison Howe. Sorry if I missed anyone off.

Team result: I forgot to announce the rules before the start. The rules were, best 3 scores from each club, but running clubs get +5 points bonus as a handicap. Paddock Wood weren't that far away from Saxons.
