

Shoreham Woods Saturday 23rd August

Local Event Score

Planners Comments: Thanks everyone for attending this local score event on a bank holiday.

I tried to keep the courses in the best bramble free runnable woods.

If you like the format of the score event, especially with multiple loops, then the Kent Night Cup starts again next month.

Thanks also to Kate, Ed, William and Nick for control collecting, Rowan on registration and Richard on the start.

Jerry Purkis
