

Results of Summer Series Trosley Country Park 31/05/2014

This event, the first of the summer series, was held on a beautiful summer morning when the birds sang and the views over Kent were stunning. There was an enthusiastic turn out with 13 juniors and 25 adults. Ten of the Juniors ran the yellow course and found the controls on or just off the paths. Well done to them. Three of the Juniors took part in the Green course. Shane (M16) did exceptionally well and Michael (M14) made a very good showing on his first green course. Well done to Ian who was first home with a time of 35:29. Thanks to Tony Connellan and Michael Cameron who helped during the morning.

Heather Brown – Organiser.
