

# The Tunbridge Wells Urban event

7-8<sup>th</sup> June 2014

The first Urban Event ever to be held in Tunbridge Wells will take place on 8<sup>th</sup> June 2014.

Tunbridge Wells is a fantastic place for an urban event; small historic steep and winding streets and alleyways are plentiful in the southern part of the town together with more usual shopping and residential streets in the north. The map will also include part of the famous Tunbridge Wells common and limestone monoliths that pop up here and there in Tunbridge Wells.

We will have a full range of urban courses, and subject to final planning we are hoping to have junior courses as well.

The town is a mecca for tourists, famous for its Georgian Beau Nash architecture as well as for the famous dippers pool in the Pantiles.

The event centre will in the beautiful Calverley Grounds which has a café and toilets. There is plentiful free parking and a mainline station nearby.

We are planning an event for Saturday 7<sup>th</sup> June so that those travelling a long way have the benefit of two events to look forward to in close proximity.

There is so much to do close by that you will have to stay on a few days to enjoy them all - High Rocks and the Steam Railway are tantalisingly close for the spouse and children that do not orienteer. **So save the date of 7-8<sup>th</sup> June 2014 in your diaries now.**
